As she has visited my clinic on APRIL 1st
She complaints of pain in RIGHT ANKLE and not able to walk so on thorough examination i suspect of any tendon injury so I have suggested for RT ANKLE X RAY and the report says that their is a injury in EXTENSOR TENDON so I have advised them to not to travel in any modes, and suggested some medications,

1. Tab zerodol sp
2. Tab tendocare

AND TAKE REST FOR 1 MONTH

ಪುನಃ ಬರುವಾಗ ತಪ್ಪದೇ ಈ ಚೀಟಿಯನ್ನು ತರಬೇಕು. Please bring this slip on next visit.
